Hon. Michael F. Nozzolio  
Room 413 Legislative Office Building  
Albany, NY 12247

Dear Senator Nozzolio:

Thank you for your letter regarding the Modock Springs contamination issue in the Town of Victor.

I have spoken with members of the Modock Springs Citizen Advisory Committee on this issue and on the merits of the discussed Value Protection Plan for homeowners affected by this situation.

This is an important matter for many people in our districts and I am happy to support your efforts and the efforts of the MSCAC in resolving this matter.

To offer some assistance in pushing forward plans to alleviate the difficulties faced by the Modock Springs community I have sent letters of support for the VPP and efforts by the MSCAC to Governor Paterson and NYSDEC Commissioner Grannis, which I have included here.

Again, thank you for writing to me on this very important issue. I look forward to continuing to work with you on this and other matters concerning Western New York.

Sincerely,

  
Eric J. J. Massa  
Member of Congress
